U.S. DEPARTMENT OF COMMERCE / U.S. Travel Service

INTRODUCTION . . .

Following is a list of travel agents and carriers abroad actively promoting travel to the USA. Those marked by an asterisk (*) publish folders with tours exclusively to the USA. The remainder publish master brochures, each of which includes one or more tours to the USA.

This list, which was compiled by the United States Travel Service from existing sources to serve as a guide to the travel industry in the USA, does not represent a complete directory of all overseas travel agents and carriers. Omission of some names does not reflect on organizations involved.

This listing is according to geographical areas: Europe (page 1), Latin America (page 38) and the Pacific (page 68). Under these three major headings one will find the addresses of the United States Travel Service regional offices that cover the various countries.
